📌 Reservations

Reservations can be made from April 1, 2026 to June 30, 2026.

A reservation is not necessary at all, as the campsite capacity is more than sufficient. We only offer the option to make a limited number of reservations, so if reservations are sold out, **it does not mean that the campsite is full**, and there is **no reason to worry** about getting a spot.

Please note that a reservation does not guarantee a specific place within the campsite, only entry to the site. The exact placement is determined upon arrival, depending on the currently available free spaces. It cannot be guaranteed that a car will be parked **directly next to a tent**, nor that larger groups of people, cars, or tents will be placed **next to each other**.

An electrical hookup is also not guaranteed.

Reservations can still be made by e-mail at:
krupalova@drevoskladvizovice.cz.
